# PREMIER bottle coolers

## facts & figures

### REMOTE COMPRESSOR UNITS

- ▼ Remote compressor/condenser units are available in our standard range of models
- ▼ 'Remotes' offer maximum bottle storage capacity and so reduce the need to restock
- ▼ Remotely installed compressor greatly reduces heat emission into the bar area
- ▼ Remote cooler cabinets may be stacked two high using the special security kit
- ▼ Designed and manufactured to the most demanding brewery specifications
- ▼ Our top-performing range for the busiest and most demanding bars
- ▼ Capable of cooling in higher ambient conditions such as night clubs
- ▼ Internal shelving height is fully adjustable to suit different bottles
- ▼ Door locks are fitted as standard for improved security
